Shawn and Jim met with the Ruston Boy Scout troop on September 12 at Grace Methodist Church to give an over view of Amateur Radio. Shawn met with them again on September 19. They seem very interest in getting to know more about this hobby. Shawn would like to schedule a weekend with the troop. Shawn would also like to have them come to West Monroe to see a radio station that is set up where they could operate.

Ham Cram for technicians will be this weekend. There are currently six people registered. Shawn will be working on flyers that can be put in various places to announce when the next Ham Cram will be.

Ruth Ragsdale gave a financial report.
